

HUMAN SERVICE CENTER

Electronic Recycling Collection Day September 19, 2009 9am- 2pm

Acceptable Items:

Computers, monitors, TVs, small home electronics and office equipment.

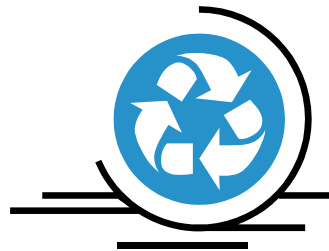

Some items will require a fee for disposal.

Human Service Center has been helping the disabled become self reliant and self supporting through employment for more than 30 years. This can now be accomplished through donations of items that can be recycled.

EVERY DAY RECYCLING

Aluminum and Cardboard can be dropped off next to building P during daylight hours.
