

Recycling fundraiser helps beat the budget crunch at Human Service Center.

Human Service Center has been earning free Technology by participating in the FundingFactory Recycling Program. We collect empty laser and inkjet cartridges and used cell phones from the community and from our agency and send the waste products to FundingFactory in exchange for our choice of technology.

Community and business supporters can also drop off cartridges and cell phones at the following locations:

Human Service Center – 10257 State Route Three – Red Bud, IL 62278

Human Service Center – 104 Northtown Drive – Sparta, IL 62278

Human Service Center – 115 East Stacey Street – Chester, IL 62233
